INTERESTS

Politics: parliamentary life, analysis of the French budget, data analysis of elections results.

Literature: literary theory and criticism

PERSONAL PROFILE STATEMENT

As a graduate student in economics and an ENS student, I have a very versatile profile and I am particularly proficient in mathematics, econometrics, and programming. I find my purpose in pursuing my projects and making them profitable for as many people as possible, such as the tools I developed for the French Ministry of Economics and Finance, or the seminar I initiated at the ENS. Identifying and addressing issues through teamwork is what I do best.

SKILLS

Soft skills: listening and communicating, scientific ethic and rigor, adaptability, anticipating needs and taking initiatives.

Languages: English C2 validated in 2023 (CAE); Spanish advanced level; German beginner level.

Coding skills: Stata, R, Python, Web development.

EDUCATION

2024-2025 Master's degree Analysis and Policy in Economics (APE) at Paris School of Economics. Second year at the ENS-PSL. Organization of the seminar "Pour une science de la recherche" at the ENS-PSL.

2023-2024 Undergrad at the Department of Economics of the ENS-PSL. Pursuing a research project about publicly funded R&D at CERES with Dr. Fleurbaey, and Dr. Ben Ari (INRAE).

2022-2023 Undergrad at the Department of Economics of the ENS of Lyon. 2 internships in research.

2019-2022 CPGE B/L at Faidherbe high school in Lille.

PROFESSIONAL EXPERIENCES

2024 Internship at the French Ministry of Economics and Finance: analysis of environmental impact and trajectory of the investment plan France 2030. Note writing for the Minister. Development of a web app to share the results.

June to Sept. 2023 Internship as a research assistant for Dr. Jensen (CNRS). Production of a data base on R and a report on the situation of publicly funded R&D between 2009 and 2022.

2022-2023 Internship as a research assistant for Dr. Hatte, the head of Department of Economics of the ENS of Lyon. Creation of a data base using Python and web scraping technics.

INTERNATIONAL EXPERIENCES

2020 2020 MUN of the IEP of Lille; speaking in general assembly, mastering formal rules of debating and negotiation.

2017-2018 2018 MUNOG of the Goldberg Gymnasium, Sindelfingen, Germany; mastering formal rules of debating and negotiation, cooperation.
